The following excerpt from the constitution of the Corporate Registers Forum establishes the process for becoming a member.

Membership

- 4.1 Any "Register" may make an application for membership.
- 4.2 Applications for membership must:
- 4.2.1 be sent to the Secretariat;
 - 4.2.2 include a description of the applicant, their responsibilities and roles and a description of the Register that the applicant represents; and
 - 4.2.3 be approved by the Executive Committee.
- 4.3 Annual membership contributions are decided by the CRF at the Annual General Meeting on the recommendation of the Executive Committee, and are payable annually no later than 60 days after the AGM or in the case of new members, immediately on approval of membership.
- 4.4 Membership is terminated on notification by the Member to the Secretariat; or on failure to pay the determined membership contribution within three (3) months of the due date. Membership may also be terminated by the Executive Committee if the Member no longer represents a Register.
- 4.5 Observer status may be granted by the Executive Committee to Registers whose application for membership is pending approval. This will permit the applicant to attend General Meetings (but not vote) and at the discretion of the Executive Committee, to receive CRF literature.
- 4.6 The Executive Committee may expel a Member if the Executive Committee considers that they have acted contrary to the objects or interests of the CRF. The Member concerned will have an opportunity to present any submissions to the Executive Committee before a decision on the expulsion is made. Notice in writing of any expulsion will be given to the Member concerned.

Note

¹ The annual membership contributions are currently US\$400.00
