

The Right Honourable Minister Dr Moily, President Mr Sudhir Mital, Mr Srivastava, CRF Executive, CRF Members, distinguished guests.

We come to the closure of a very informative and successful conference with a balanced mix of business, culture, food, entertainment and many new friendships made. CRF 2012 was attended by 134 delegates from 44 delegations including 29 member jurisdictions. There were many old faces but equally a large number of first time attendees so I trust we will see you all at future CRF conferences.

Interest in membership continues with global growth and reach. Over the last 6 months we have admitted two new members, Lesotho and China – Guandong Province. During this conference alone, I have been approached by The Gambia, Azerbaijan, China – Beijing and Kosovo all expressing interest in becoming members.

To all delegates, I trust that each of you have shared knowledge, experience and ideas over the past few days but also taking home something new or fresh to apply back in your own registries. If you have achieved this then CRF 2012 is indeed a success.

Mr Mital, on behalf of the Executive and CRF members, we congratulate you and your hard working team including all the sponsors for hosting an excellent thought provoking conference, thank you.

I must also acknowledge ICSI the conference knowledge partners for the logistical support provided throughout the week to the Executive, thank you.

Now as we close, it would be remiss of me not to acknowledge the many hours of service over the past 9 years provided to the CRF by Justin Hygate. Thank you Justin and we look forward to maintaining contact with you as a registry expert and software provider.

I also wish to acknowledge the splendid work of our Executive, please join me in congratulating them as they stand.

With that keep sharing knowledge with each other and build momentum until we meet again in Auckland New Zealand in 2013.
